

Dear Club Members,

Welcome to the August edition of the Cybersecurity & AI Club (CYAI) newsletter! As we dive into the new semester, we're excited to bring you a curated list of opportunities to sharpen your skills, gain real-world experience, and advance your career in cybersecurity and AI. Whether you're prepping for a CTF, exploring internships, or eyeing scholarships, this month's roundup has something for everyone. Let's make this semester your most productive yet!

CTFs & Competitions

EYCC CTF 2026

Organization: Mont5ab El2hwa

Deadline: July 17, 2026

URL: <https://eycc.stemeghackclub.org/>

Description: Egypt's national CTF competition for high school students, now in its second edition. Hybrid format with 48-hour online qualifiers and on-site finals.

Eligibility Requirements: High school students in Egypt only; team size of 2–5 members; free entry.

Organization: OmniCTF

Deadline: July 17, 2026

URL: <https://omnictf.com/>

Description: A global CTF hosted by OmniCYBR, OctalO, and Delta Obscura, with platinum sponsors like CAIDO and partners including Spectrum and UNbreakable Romania.

Eligibility Requirements: See posting for details; Discord community:

<https://discord.gg/Tua6ZT7nYW>.

DAMCTF 2026

Organization: OSUSEC

Deadline: July 18, 2026

URL: <https://damctf.xyz/>

Description: A 48-hour CTF hosted by the Security Club at Oregon State University, sponsored by AWS, RET2, and DC541.

Eligibility Requirements: See posting for details.

AxiomCTF 2026 Finals

Organization: 4x10m

Deadline: July 18, 2026

URL: <https://ctf.4x10m.ru/>

Description: Team-based Attack/Defense CTF finals where you'll defend your services while

attacking opponents. A dynamic, real-world cyber battleground.
Eligibility Requirements: See posting for details.

Internships

IT, Cybersecurity Internship

Organization: Integrated Solutions for Systems, Inc

Deadline: Rolling/No fixed deadline

URL: <https://www.adzuna.com/details/5796029943>

Description: Location: Warner Robins, GA. Full-time student pursuing an accredited degree in Cybersecurity or a related field required. Foundational knowledge of IT/Cybersecurity methodologies preferred.

Eligibility Requirements: Must be enrolled for the semester following the internship.

AI Internship

Organization: Neighborly

Deadline: Rolling/No fixed deadline

URL: <https://www.adzuna.com/details/5788942469>

Description: Location: Irving, Dallas. Opportunity to apply AI tools in a fast-paced environment at a leading home services company.

Eligibility Requirements: Location: Irving, Dallas.

Organic Search (SEO & AI) Internship

Organization: Gemini: Advanced Marketing Solutions

Deadline: Rolling/No fixed deadline

URL: <https://www.adzuna.com/details/5760969489>

Description: Location: Edina, Hennepin County. Dive into the intersection of AI and search engine optimization to help businesses stand out.

Eligibility Requirements: See posting for details.

AI IT Internship

Organization: Superior Group of Companies

Deadline: Rolling/No fixed deadline

URL: <https://www.adzuna.com/details/5774532600>

Description: Location: St. Petersburg, FL. Part-time (~20 hrs/week) internship focused on AI strategy and enterprise applications.

Eligibility Requirements: Commitment through graduation.

CUNY Career Launch

Organization: CUNY

Deadline: Rolling/No fixed deadline

URL: <https://www.cuny.edu/about/administration/offices/ocip/students/careerlaunch/>

Description: Paid internships across tech and cybersecurity fields, exclusively for current CUNY undergraduate students. Priority deadline typically in mid-February; check site for current cycle dates.

Eligibility Requirements: Current CUNY undergraduate students, actively enrolled in matriculated courses.
